08 | International Literacy Day

Encourage clearer communication by helping teams simplify information, share knowledge and make key messages easier to understand.

10 | World Suicide Prevention Day

A gentle reminder to strengthen psychological safety, make support pathways visible and encourage people to check in with care.

11 | Relaxation Day Reminder

Remind teams that sustainable performance needs real recovery, not just busy days filled with back-to-back meetings and constant output.

15 | International Day of Democracy

Invite employee voice by giving people a simple way to share ideas, feedback or suggestions on how work could be improved.

18 | International Equal Pay Day

Reflect on fairness, transparency and how people are valued, recognised and supported across the organisation.

21 | International Day of Peace

Encourage teams to reset how they communicate, manage tension and create calmer ways of working together.

23 | International Day of Sign Languages

Highlight inclusion and accessibility by encouraging clearer, more thoughtful communication that everyone can engage with.

25 | Celebrate, Recognize & Reward

End the month by recognizing the behaviours, contributions and everyday moments that helped the team work with more clarity, trust and care.

30 | International Translation Day

Remind teams that communication lands best when it is clear, inclusive and easy to understand across cultures, roles and working styles.
